## **3. How to Contact Chase Travel Support**

There are many options -- and the one you select will be based on how urgent your problem.

### **Phone Support**

Chase's support for travel phones is the most efficient solution for a variety of problems.

Common phone support features include:

- Friendly agents who have access to the details of your reservation.
- Possibility to make changes or cancel and request refunds on behalf of you.
- Clarify policy details.

To locate the correct phone number:

1. Log into the account you have created with your Chase account online, or on your mobile application.
2. Visit the card you have chosen.
3. Find it at "Travel & Rewards" - "Travel Support" or "Help & Support".

Every card usually includes an **dedicated support line for travel**. If you're not sure what number you'll find located on your back will direct you to the appropriate person.

*Tips:* Have your itinerary number and card number (last four numbers) and the reservation details in your phone before calling.

### **Online Support / Chat**

Chase frequently has live chat available in the travel portal.

1. Log into the account you have created with your Chase account.
2. Click on the Travel Booking section.
3. Choose the trip that you require assistance with.
4. Look for "Chat" or "Get Help".

Chat rooms are perfect for:

- Quick questions
- Revision of policies
- Refunds follow-up

### **Email & Digital Messaging**

Certain issues can be dealt with using secure messages on your Chase account online or via mobile apps:

1. Start and open the Chase app or visit [chase.com](https://www.chase.com).
2. Go to "Secure Messages."
3. Send a message to our Travel Support team.

This is beneficial for non-urgent requests such as:

- Providing documentation
- Requesting confirmation emails
- In the wake of an earlier conversation

## **4. What to Prepare Before You Reach Out**

The ability to prepare can help speed up the process:

### **Booking Information**

- The reservation number is also known as the itinerary number.
- Date(s) of the travel.
- Names of all the travelers in the reservation.

### **Payment Details**

- Last 4 digits on the card that was used.
- Points used or anticipated points earned.

### **Clear Question or Issue**

As opposed to "it's not right," be prepared to respond:

- "I want to change my flight to a different date."
- "I haven't received my refund for booking #XXXX."
- "My seat wasn't confirmed, and I need help."

### **Screenshots / Documents**

If you've got errors screen, confirmation screens, or emails -- they could be very useful to give away.

## **5. Common Issues and How Support Helps**

This is how Chase Travel Support generally handles the most common travel issues:

### **Flight Changes or Cancellations**

If your airline alters timings of flights or cancels the flight:

- Chase Travel Support can contact the airline directly.
- They are able to rebook you for a different flight.
- They may be able to help you request the refund or credit for travel.

What they *cannot* always do is:

- Override airline rules.
- Seat assignments or upgrades are guaranteed.

### **Hotel Problems**

Support is available if:

- The hotel is overbooked or doesn't have a reservation.
- You must cancel your card in the event of a cause which is covered by the travel protection of your credit card.

If there are any disputes (e.g. the room charge you didn't pay) assistance may be needed to begin an appeal at the hotel or supply the necessary documentation to resolve a billing dispute.

### **Rental Cars**

Support can help in:

- Changes to the rental dates
- Confirming reservations
- It is important to clarify your coverage if the card provides rental insurance

Be aware that rental firms have separate rules -for example, Chase cannot control the fees that are that are charged at the time of pickup.

### **Refunds & Credits**

If you're waiting for the possibility of a refund:

- Request the rep to provide the anticipated timeframe.
- Look over your statement to see if there are the posted credit.
- Hotels and flights that have been cancelled may issue credit that can take several days to process.

Points refunds may also be handled if cancelled your membership within the permitted time.

### **Travel Insurance Claims**

If your card comes with trip cancellation/interruption or baggage insurance:

1. Chase Travel Support can provide claims forms and other documentation.
2. The majority of the time, you submit your insurance company.
3. The processing time for claims varies however, support will be able to guide you.

### **6. What Support Can't Always Do**

Chase Travel Support is fantastic but it comes with limitations:

- They **cannot evade the hotel or airline policies** on penalties or fees.
- They **aren't able to control external systems** (like delays in refunds by airlines).
- They **cannot predict the availability** of rooms or flights which are already occupied.

Support can be a source of advocacy and support but must always be in line with the guidelines of the provider.

## 7. Tips for a Better Experience

**Utilize the mobile app** for instant access Many faster responses are available there.

**Call outside of peak hours** (early in the morning, or late in the evening) to avoid lengthy wait times.

**Be patient and precise** Agents are also people and clear questions will help them respond quicker.

**Keep confirmation email and reservation numbers** as you'll require these.

**Notice time zone** -- the support could be a reference to times in the local zone of the provider.

## 8. Chase Travel Support by Card Type

Certain Chase cards have additional perks:

Card	Support Benefits
<b>Chase Sapphire Reserve</b>	Priority travel support for travelers, + travel credits Premium perks, and priority travel support
<b>Chase Sapphire Preferred</b>	Strong support, good protection benefits
<b>Chase Freedom / other cards</b>	Standard support for booking travel

If you are unsure, consult the benefits manual for the card you have and learn what benefits are available.

## 9. What If You Still Have a Problem?

If you believe your problem isn't being resolved,

- Request respectfully to *increase* your situation.

- Keep a log of the number of references for your calls.
- In rare instances, you can In rare cases, Chase support (not only travel assistance) using the contact number listed on your credit card.

If the dispute is related to billing, you are able to submit the **dispute via the portal for your card** however, only to resolve legitimate discrepancies and not complaints regarding service.

## **10. Wrapping Up**

Chase Travel Support exists to assist you in making your travel more enjoyable even when things go off the rails. The most important thing to get good support is planning for clear communication and knowing the right channel to select (phone chat, chat, secure messaging).

If you're trying to fix an error in your booking, cancelling the trip, or asking for information on travel insurance, these steps will allow you to get faster and better outcomes.
